

## WASHTENAW AREA MUTUAL AID ASSOCIATION

### EMS CONTINUING EDUCATION PRACTICAL DAY

This one-day, 8-hour course is being offered FREE and is designed to specifically focus on topics relevant to fire suppression personnel, ie. burn care, fireground trauma and medical, rescue operations of pediatrics and geriatrics, etc. It will additionally provide training to assist fire departments in complying with the practical Continuing Education Unit requirements of Michigan Public Act 368 of 1978, Part 209 – Section 333.20901 – Emergency Medical Services Personnel Licensing.

This course will provide an interactive educational session employing the use of live patient simulators to meet and satisfy the practical requirements in airway/ventilation, medical, trauma, pediatrics and special considerations by utilizing the most modern and nationally accepted approach to patient care.

This class can accommodate up to 32 firefighters. The participants will receive a training certificate, EMS Chit sheet, and supporting educational documentation. The instructors are experienced EMS Instructor Coordinators and fire service certified instructors to better understand the complexities of fire based EMS.
