Washtenaw County Hazardous Materials Team Golf Benefit

The Twentieth Annual Hazardous Materials Golf Benefit will take place at the Barton Hills Country Club in Ann Arbor, Michigan. All proceeds from the event will directly benefit the Washtenaw County Hazardous Materials Response Team.

Format and Prizes

Each team of four will play a best ball scramble format. Prizes will be awarded to the team with the lowest score and other prizes will be distributed on a lottery basis. Special contests will be held on various holes with prizes awarded to the winners. Barton Hills club rules require collared shirts, no denim shorts or pants and soft spikes only.

The Washtenaw County Hazardous Materials Response Team

The Washtenaw County Hazmat Response Team is a cooperative effort of the Washtenaw County Fire Mutual Aid Association that includes every Fire Department in Washtenaw County and several surrounding area Fire/Public Safety Departments.

The Hazmat Team provides public safety response in situations involving spills or leaks of hazardous materials or materials of unknown origin.

We are funded by membership dues, grant awards, cost recovery ordinance and our single fundraiser, the Annual Golf Outing.

Your support is critical to keeping our team equipped and ready to support the Washtenaw County area.
